**Subject:** [External] RE: Docket No. 2021-236-G -- Response to Inquiry of Party Counsel for DESC

JoAnne,

Thanks for this information. It was responsive and helpful.

I conferred with the parties to advise that DESC prefers to remain virtual in order to accommodate non-local witnesses. The other parties have no objection to proceeding with the hearing virtually. As a result, DESC will present its witnesses individually and in the order set forth in its letter dated November 2nd: (1) Witness Narbaitz, (2) Company Witness Harris, and (3) Company Witness Jackson.

Please do not hesitate to reach out if you have any questions or need more information.

Thanks you,  
Michael

**Subject:** RE: Docket No. 2021-236-G -- Response to Inquiry of Party Counsel for DESC

**Importance:** High

**\*\*EXTERNAL EMAIL; use caution with links and attachments\*\***

Dear All Parties of Record:

In response to the email of Dominion Energy South Carolina, Inc. Attorney Anzelmo, there are two issues addressed by this email: (1) appearing in-person in the hearing room, and (2) witness panels

**In-Person Appearance of Party Counsel, Witnesses and Parties:**

The hearing in this Docket is scheduled to be held virtually. However, any party's counsel and witnesses desiring to be present and appear

live in the Hearing Room are welcome to do so as follows:

- (1) please let us know by responsive email as soon as possible but prior to 3:00 p.m. today if you plan to appear live in the Commission's Hearing Room so that arrangements/preparations can be made by the Commission staff; and
- (2) since the proceeding is scheduled to be held virtually in accordance with Commission procedures and policies, all parties must agree to the "in-person appearance" as all parties may not choose to appear in-person as they may be unable to appear in person at this time or they may prefer for the proceeding to remain virtual for them, their witnesses, or in general.

-  
**Witness Panels:**

With regard to witness panels, witness panels cannot be held virtually as the Court Reporter must be able to clearly see and hear the witness and without anyone talking over the witness. If a party wants to present witness panels, please advise and such witnesses must be live in the hearing room as well.

The Commission does not have any issue regarding witness panels for this proceeding, but any witness panels must be live and in-person in the hearing room for accurate transcription and recording. Please advise by responsive email no later than 3:00 p.m. today if you plan to present an in-person live witness panel and specify which witnesses will be part of a panel.

Any objection or concerns by any party regarding the above must be

provided by counsel for the party no later than 3:00 p.m. today. If any other matter should arise prior to the scheduled hearing, please do not hesitate to advise **provided** any correspondence with the Commission and Commission employees **must** be copied to all parties of record in accordance with the Commission's policies and procedures to avoid any ex parte communication, inadvertent or otherwise, which is prohibited by law. All communications with the Commission, including Commission Staff **should** also be filed or posted on the DMS for this Docket matter.

I hope this information is not only helpful to all parties, but responsive to the inquiry.

With kind regards, I am

Jo Anne Wessinger Hill

**Subject:** [External] RE: Docket No. 2021-236-G

Sharon,

To follow-up on your email below, I have a logistics question for the hearing in this matter on Thursday, November 18th. The Commission previously inquired whether the parties would be willing to use witness panels at the hearing. Dominion and Piedmont (the only parties presenting witnesses) both indicated a willingness to use panels if the Commission preferred to do so. Has the Commission decided on the use panels? Any clarification would be appreciated. I just want to make sure the parties prepare properly for the Commission's preference.

Thanks,  
Michael Anzelmo  
Counsel for DESC

**Subject:** Docket No. 2021-236-G

**\*\*EXTERNAL EMAIL; use caution with links and attachments\*\***

To All Parties of Record:

Good afternoon.

The hearing in this docket is scheduled to begin on Thursday, November 18, 2021, at 10:00 a.m. The purpose of this email is two-fold. First, we need information from you so that WebEx invitations can be sent to you and your witnesses. Secondly, we provide information regarding cross examination exhibits.

**SURVEY LINK FOR WEBEX:**

Please complete the survey, using the link, no later than **Friday, November 12, 2021, at 3:00 p.m.** The survey collects information to generate a Virtual Media Plan used by Commission IT personnel when sending information or a WebEx Invitation to establish a connection with you for the hearing. Without it, the Commission will not be able to connect with you virtually for the hearing.

Please provide the requested information for you and your witnesses expected to testify next week. All attorneys and all witnesses (who will testify) are required to complete this survey. Attorneys are responsible for obtaining and providing the information for any respective witness – even if you provided the same information before.

The survey for this docket is available at <https://www.surveymonkey.com/r/BM8ZK88>

If you have a problem with the survey link, please send your contact information electronically by responsive email, with a copy to all parties, including: (1) name, (2) email address you will use during the hearing; and (3) telephone number(s) available for use during the hearing.

**CROSS EXAMINATION EXHIBITS:**

If you have any cross examination exhibits, we require ten hard copies as well as electronic (pdf) copies. Please email the electronic (pdf) copies of your cross examination exhibits to Elise Wilson ([Elise.Wilson@psc.sc.gov](mailto:Elise.Wilson@psc.sc.gov)). Please also deliver at ten printed copies of each Cross Examination Exhibit to the Commission Office no later than Tuesday, November 16, 2021, at 4:00 p.m. Unless Ms. Wilson sends an email confirming receipt, please do not presume that any emailed documents have been received.

Each Exhibit must be clearly identifiable and numbered by you so that it can be located during the hearing. On behalf of the Court Reporter and for the clarity of the record, it is requested that when you present, discuss, question, or share an exhibit during this proceeding, you must state and identify the number of the exhibit. During the course of virtual proceedings, representatives of parties have not always been consistent in advising or referencing the number of the Exhibit that which is the subject of the witness being questioned. Please state the number you have marked the exhibit (at least if you do not know the Hearing Exhibit No). We know that the number may change to the next Hearing Exhibit Number – if the exhibit is entered into the Record.

Each attorney is responsible for making certain the other attorneys have the cross examination exhibit. Commission staff or counsel will make every attempt to provide a courtesy copy to all parties as a back-up, to place on the DMS, and to hopefully prevent issues and delays between the parties once the cross examination is identified; however, this courtesy does not relieve the attorney of his/her responsibility.

If you are cross examining a witness, you must reference the Exhibit Number as you have pre-numbered the Exhibit so that the Exhibit can be distributed. The copies provided to Ms. Wilson for the Commission (both electronic and hard copy) are not distributed until you present upon cross examination in accordance with standard trial practice and procedure just as if you were here in the Hearing Room.

You are to provide the exhibit to all parties and to the witness, using the address from the Virtual Media Plan (which will be sent Wednesday afternoon (11/17/2021) prior to the close of business. Attorneys – if it is your witness under cross examination, you should also make sure that your witness has the cross examination exhibit. There is no change in the handling exhibits and sharing documents with parties and witnesses in a virtual hearing – the only change is the electronic format and use of email and virtual screen shares.

Thank you for your attention to this matter.

Yours sincerely,

Sharon Plyler Besley

**SHARON PLYLER BESLEY
